

# Getting started on a Smart OBM system?

## No ASP or Smart OBM?

- ▶ Select your preferred Application Service Provider (ASP) and OBM system
- ▶ Shop around, make sure your chosen ASP supports your preferred Smart OBM system.

## Telematics device but no certified ASP?

- ▶ Talk to your telematics provider and TCA to discuss options.

## ASP but no Smart OBM?

- ▶ Select a Smart OBM system that your ASP supports
- ▶ Shop around for both

## Installed OBM - but not Smart?

- ▶ Speak to your OBM system supplier. Most OBM systems can be upgraded to Smart OBM
- ▶ Pair your Smart OBM system with an ASP who supports it.

## Buying a new vehicle or trailer?

- ▶ Talk to your trailer manufacturer and ASP
- ▶ Make sure your equipment is fitted with a Smart OBM.
